

Diagnose Your Hidden Revenue Leaks

NextGen Office Revenue Cycle Management

You are losing revenue, and you might not even know it

For independent or smaller practices, the smallest leaks in the revenue stream can lead to massive losses and operational strain. These leaks can be caused by:

- Rising denial rates
- Delayed reimbursements
- Billing errors
- Unworked claims
- Staffing shortages

This can be very daunting for an independent practice with limited resources, but not with NextGen® Office Revenue Cycle Management (RCM). We help you identify exactly what is holding your revenue back—and we'll provide the tools needed to revive it.

21%

fewer denied claims

25%

less days in A/R

95-100%

net collection rates

13%

higher collections per encounter

Regain control and operate with confidence

Without the right team, it can be hard to retain control of your financial performance. NextGen Office RCM provides the support independent practices need to ensure a healthy and secure revenue cycle—all without adding overhead costs.

Patch all of the places where revenue leaks can occur by:

- Reducing denied claims
- Reducing days in A/R
- Increasing visibility into collections
- Simplifying the billing process
- Reducing manual tasks

Get a snapshot of your revenue cycle

Discover the leaks that lead to revenue loss and prevent healthy financial performance. Schedule a quick informative meeting with our team to gain visibility into:

- Billing inefficiencies
- Missed collection opportunities
- Benchmark comparisons against similar practices
- Quick recommendations to improve cash flow now

“On the RCM side of things, that’s where I really have to give five gold stars. No matter what I need or what report I want, they answer me timely and help me with everything I need.”
